

Hallelujah Express

Chorus I Can't wait. Can't wait.
Wait to board the Hallelujah Express.
'till then I'll preach the story
of the man crowned with glory.
Can't wait to board the Hallelujah Express.

Verse I Was dwelling 'cross the tracks in sin valley.
Barely existing a girl (man) in defeat.
A saint showed me the way to success.
Got my ticket for the Hallelujah Express.

(Chorus)

Verse This world is just my training ground.
When my work is done I'll be heaven bound.
Be on my way to my new address.
Riding the Hallelujah Express.

(Chorus)

Bridge I'm Cruising with Christ my engineer.
Gonna stay on track, won't be derailed.
With Christ, life's in high gear.

(Chorus)
